

IN THE SPECIFICATION:

A substitute specification has been submitted. It is also requested that the title of the invention be changed to DEMOUNTABLE RIM WITH RUN FLAT CAPABILITY, which is reflected in the substitute specification.

IN THE CLAIMS:

Claims 1-9, 11, 13-19, 32-35 have been cancelled.

Applicant requests entry of new substitute claims 36 - 54.

IN THE DRAWINGS:

Please amend the drawing by substituting new replacement sheet 4 containing FIG. 11 changing 23 to 55.

Please replace sheet 9 with the replacement sheet 9 which has only changed the shading of annular part 5 to comply with the standards for drawings FIGS. 25B and 25C. No other changes have been made to sheet 9.
